WELCOME MESSAGE

On behalf of the EFFAT Executive Committee, we are pleased to invite you to the 5th EFFAT Congress taking place on 6 and 7 November 2019 in Zagreb, Croatia.

EFFAT Congress is a key event in our calendar and a highlight in the life of our organisation, at which we determine EFFAT's economic and social policy demands, renew its framework programme and advocate for a worker-oriented social EU.

We are living in a time of massive societal change. The platform economy is creating new forms of employment and an increasingly virulent nationalism is threatening to stifle the European project. For European workers, this is a pivotal moment: our successful social achievements are at stake and have to be defended.

Against these political challenges it will be the task of our 5th Congress to discuss the future of work, the future of Europe and the future of EFFAT, taking the necessary decisions for a stronger EFFAT in the next 5 years and electing its new leadership.

It will also set out EFFAT's political priorities and work programme for the next five years to ensure decent work from farm to fork.

We wish you all an interesting Congress full of stimulating and constructive debates.

A big thank you to our EFFAT affiliates and staff for making this a successful Congress!

Malin Ackholt
President

Harald Wiedenhofer
General Secretary
